From

R.Littlehailes Esq., M.A.,
Director of Public Instruction,
Madras.

To

The Secretary to Government,
Law(Education) Department

Sir,

With reference to G. O. No. 982 Law(Education) dated 19-8-22 sanctioning the introduction of a vocational class in wood work in the Ganapathy Secondary School, Mangalore I have the honour to state that the correspondent of the school has now submitted plans and estimates for improving and extending the manual training shed which is reported to be unsafe at a cost of Rs.2500.

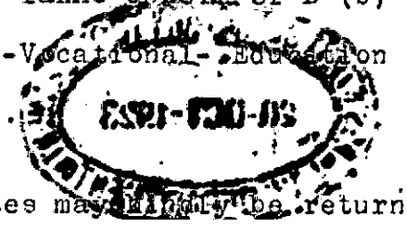
2. The shed now used for the manual training class which is a katcha structure is roofed with a single layer of Mangalore tiles supported on bamboo poles. It was constructed out of the funds of this Department at a cost of Rs.461 in 1916 for the use of the Secondary training school, Mangalore when it was using the Ganapathy Secondary School as its model school.

3. As it is no longer used by the Government Secondary Training School and it is fairly useless in any case, I consider that it may be handed over to the Ganapathy Secondary school authorities and that they may be permitted to extend and improve it for the use of the wood work class.

4. I submit herewith the plans and estimates and recommend that the management be given a half grant of Rs. 1250 towards the construction of the shed and

and of Rs.420 towards the recurring charges of the class for the year 1923-24.

If the above recommendation be approved the sum of Rs.1670 required during the current year may be met from the lump provision of 1. 15 lakhs under "31 D-(b) Education-Special- Transferred" -Vocational- Education in the Budget Estimate for 1923-24".



6. The plans and estimates may kindly be returned when done with.

I have the honour to be,

S i r;

Your most obedient servant,

16.10.23

for Director of Public Instruction
